

# National Conclave on Nutrition & Climate Goals 2026

14 MARCH 2026 | NEW DELHI

## EXHIBITION PAVILION

### Integrated Solutions for Nutrition, Environment, Indoor Air Quality and Climate Action

As part of the National Conclave on Nutrition & Climate Goals 2026, an Exhibition Pavilion will be organised to provide a dedicated platform for NGOs, startups, social enterprises, research groups and innovators to showcase products, solutions, services, tools and models aligned with the conclave theme.

The pavilion aims to promote knowledge exchange, innovation visibility and cross-sector collaboration by bringing together practitioners, policymakers, researchers and development stakeholders under one roof.

## Exhibition Focus Areas

1. Nutrition and Food System Innovations
2. Environmental Health & Air Quality Solutions
3. Climate Adaptation & Community Resilience
4. Child, Maternal & Public Health Technologies
5. Behaviour Change, Awareness & Policy Tools
6. Integrated / One Health Approaches
