

The Glenmark Nutrition Awards

Hosted as part of the National Conclave

Innovating for Impact: Nutrition Solutions Aligned with National Priorities

Stand a Chance
to Win a Grant
of
5 Lakhs

This national-level competition, organised under the National Conclave on Nutrition & Climate Goals 2026, seeks to recognise and support NGOs implementing scalable, high-impact nutrition interventions aligned with national priorities. The focus is on early childhood (0–6 years), maternal health and community-led solutions.

Focus Areas

- Early childhood nutrition (0–6 years)
- Maternal and child health
- Community-led behaviour change.
- Nutrition service delivery and systems strengthening
- Digital and innovative nutrition solutions
- Scalable, cross-sectoral and sustainable models

Rewards & Benefits

- Three organisations shortlisted in each category
- One winner per category to receive a grant of INR 5 lakhs
- Awardees get mentorship support from hosting organisations for up to one year
- All shortlisted organisations receive awards and certificates

Award Categories

- **Urban Solutions:** Interventions primarily implemented in urban, peri-urban, or informal settlement contexts, including cities, towns, slums, and migrant communities.
- **Rural Solutions:** Interventions primarily implemented in rural, tribal, or remote settings, including villages, aspirational districts, or underserved rural communities.

Eligibility

Non-Governmental Organisations working in the areas of:

- Early childhood and maternal nutrition and Community-based nutrition programmes
- Rural and urban nutrition vulnerability reduction
- Innovative, scalable nutrition and health solutions
